**Death Records for Bauer (St. Joseph) Marion County and  
Rosemount (St. Mary)(Whitebreast Twp) Warren County Iowa.  
1890 - 1909**

This file contains the Death records from Rosemount and Bauer Churches, pages 200 - 209. I am not the best person to try to transcribe old handwriting, but I made an honest attempt with the names, and hopefully it is close enough, with the index included, that those who want to look can find their families without too much trouble.

Make sure you try all alternative spellings. I noticed that even within the church records, family names are spelled differently on different pages. (ie - Konrad/Conrad, Schurmann/Shurmann )

*A big "Thank You!" goes out to [David Endres](#) and all the many others for doing all the research and sharing their records, making it possible for us to put them online.*
